Condition 45 – Road and Footway Construction Details

Thank you for the additional information. I note that the Highway Design note is of a similar style to that submitted for Parcel B4, but does not include details of who oversaw the designs and their qualifications and experience. Please could this be added.

Response:

Please find amended letter from MJA as requested.

I have also reattached the plans as submitted for Condition 45 as a couple of them have been updated. These are as follows:
