This drawing is the copyright of ATP Architectural Design and is not to be reproduced in any way without prior written consent.
Use given dimensions over scaling, do not scale from this drawing unless for local authority purposes
Dimensions to be checked on site prior to works with any discrepancies to be reported immediately
This drawing should be read in conjunction with other consultant drawings, specifications and calculations
The client must abide by the construction design and management regulations 2015
The building owner has a duty under the requirements of the party wall act 1996
All materials and workmanship must comply with regulation 7 of the building regulations
If information within drawings & specifications relates to building regulations this is a guide as to what is required to comply with the current building regulations. This does not imply that this is the only acceptable way of achieving building regulations approval
No liability is accepted for any loss of any sort or additional expense incurred consequent on any variation to the layout or specification that may be required as a result of site conditions, availability of materials, custom or practice, the requirements of the building inspector or any other circumstances.

C GARAGE REDUCED.
