MR AND MRS M. F. PETTY
HOMESTEAD,
STROUDWOOD LANE,
LOWER UPHAM
SOUTHAMPTON SO32 1HG

Dear Madam

1-11-24

Thank you for your notification of the proposed planning in our lane. Our lane has always been a rat-run to Winchester Bypass with few passing places. 2 or 3 yrs ago I walked down the lane at 7.15-7.35 a.m. and 104 cars passed me. What would the number be now. I wouldn't dare duckily there hasn't been more accidents at the speed that some people use our lane. Our drive is almost a concealed entrance from the North end, we have to be very careful coming out - hence the mirror opposite the drive. Plus it's a sharp bend. Horse boxes + farm tractors are a part of life, but with added storage + distribution facilities more vehicles in and out of the premises. Not a good idea as so we are strongly opposed to this application.

Yours faithfully

Mr. M.O. PETTY & MRS. F. PETTY
