YOUR COMMENTS ON THE CASE

I would like to strongly object to the planning application and for you to consider the fact that this is a building which has been used as a business premise for several years and nearly all the properties along this road are occupied by businesses. The windows at the side of the building of Graham Martin & Co., 89 Leigh Road are too close to 91 Leigh Road for the rooms to be used as bedrooms, which is a clear breach of privacy to the occupants who would live there and to our employees and clients. Changing this building into 8 flats would considerably affect my business as well as the parking situation which is severely restricted at the moment.
