YOUR COMMENTS ON THE CASE

Further to our original objection for the above planning permission - we still reject the need for agricultural access as detailed.

In addition to our original points, on Thursday 10th October 2024 a new gate was installed between Hall Lands Farm and Annette Copper's fields right next to the south side of Tippers Copse providing safe agricultural access to her land. This therefore negates the need for agricultural access at the end of Pembers Farm Avenue, a residential road.
