YOUR COMMENTS ON THE CASE

I object to other new development properties using the road in my housing estate. It will increase the traffic load on the road and affect the tranquility of the housing estate. Many idle vehicles will enter and exit through my housing estate. Applicants are asked to plan their own development path. The entire design plan of my housing estate does not anticipate the use of roads by other housing estates. This is the reason why I purchased it, so I am absolutely opposed to it. I don't want to see another Botley clone (new build area). I hope you will consider it carefully
