YOUR COMMENTS ON THE CASE

On the 10th October a new gate was installed between Hall Lands Farm & Annette Cooper's fields right next to the south side of Tippers Copse. It's visible from the top of PFA at the far end of the field where it meets the woodland.

This new gate provides Annette Cooper with safe agricultural access to her land without needing to pass through her ex-husband's fields, and therefore there is absolutely no need for the agricultural access on Pembers Farm Avenue.
