Proposal: Single storey rear extension.(Re submission of planning application H/23/96396).

Consultation response: No Objection subject to conditions

Thank you for consulting Hampshire Countryside Service (the Service) as Highway Authority in respect of Public Rights of Way (PROW) and Commons Registration Authority. We also manage Country Parks and Countryside Sites throughout Hampshire. Please accept this as our response to the above application, taking into account the material considerations relating to PROW, Commons and impacts to Hampshire County Council (HCC) Country Parks and Countryside Sites.

Site Context:

- Fair Oak and Horton Heath Footpath 6 (FP6) runs west from the B3354 Botley Road, past the southern boundary of the site, to Burnetts Lane
- The site is not located in a material proximity to any HCC Countryside Site.

A copy of the Definitive Map of Rights of Way and Definitive Statement and Countryside Sites can be found at

Commentary:

The extension is proposed to be built close to the site's south boundary, on the other side of which is FP6. The public's safe, continuous use of the PROW shall be maintained at all times and must not be obstructed by the building work hereby proposed. Subject to the following condition, the Service raises no objection to this application.

Condition:

1. No vehicles, machinery, equipment, materials, spoil, scaffolding or anything else associated with the works shall be left on or near to Fair Oak and Horton Heath Footpath 6 at any time, as to cause obstruction, hindrance or a hazard to footpath users. The public retain the right to use the Public Right of Way at all times.

Yours sincerely,
