Good afternoon Rachel,

Thanks for consulting the Pollution Team on the application reference CS/24/98525 for the installation of domestic 12 panel above ground solar pv array (non ground penetrating weighted ground mount system)' under reference 24/02367/FUL (Winchester City Council) at Oaktree Lodge, Snakemoor Lane, Durley, SO32 2BW.

The mentioned site is located just outside the boundary of Eastleigh Borough Council; however, we don't anticipate the installation of above ground solar panels in a private garden will have a significant environmental impact in our area.

I trust the above information is of assistance. If you have any further queries, please do not hesitate in contacting us.

Best regards,

Yacklin
