Dear Sir,

Application No: PN/24/98550
Description: Prior Notification for the construction of a single storey rear extension and canopy (depth 5.06 metres, maximum height 3.6 metres, eaves height 2.58) following the removal of existing conservatory.
Site: 45 NORBURY CLOSE, CHANDLER'S FORD, EASTLEIGH, SO53 1PZ

I refer to your recent application giving prior notification for a single storey rear extension. Based on the information contained in your application and plans of Monday 25 November 2024 and along with the records we keep here at Eastleigh House, your proposal is **refused** as it is not eligible to follow the Prior Notification process for the following reason(s):

- Due to the staggered rear elevation of the original dwellinghouse, the proposed enlargement would not comply with the Town and Country Planning (General Permitted Development) (England) Order 2015, Schedule 2, Part 1, Class A (j) (iii) and a planning application would be required. This is because the proposal would extend beyond a wall forming a side elevation of the original dwellinghouse and would have a width greater than half the width of the original dwellinghouse.

A householder planning application can be applied for online via the Planning Portal at www.planningportal.co.uk

Yours faithfully
