| <div>AREA CALCULATIONS</div> <div>The areas shown are approximate only and have been measured off preliminary drawings as the likely areas at the current state of design using the stated option from the Code of Measuring Practice, 6th edition. These may be affected by future design development and construction tolerances, or the result of surveys for existing buildings. Take account of these factors before planning any financial or property development purpose or strategy and seek confirmation of latest areas before decision making.</div> |         |          |                           |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                         |                                     |                                                            |                                        |
