Subject: Planning

Good morning

I show below the Parish Council's comments to the prior notification. Please be aware these may change or be added to once an official application is received.

Application No: PN/24/98597

Address: Cockpit Farm Barn, Knowle Lane, Horton Heath

Description: Application for Prior Approval for the change of use of the existing barn to form 8 dwellings (Use Class C3), under Class Q of the General Permitted Development Order

. Comments: The Parish Council's previous comments regarding overdevelopment in the strategic gap, contrary to policy and concerns regarding highway safety still stand. In addition, the shed like set of houses design is unexciting and are not within the vernacular architecture of Knowle Lane.

Kind regards

Linda Greenslade
