

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/24/98644				
Surveyor	AM/IF				
Address	HAMBLE COMMUNITY SPORTS COLLEGE, SATCHELL LANE, HAMBLE-LE-RICE, SOUTHAMPTON, SO31 4NE				
Proposed work	5no. Oak & 1no. Sycamore (indicated by red circles on plan) - Crown lifted for access to 5m above ground level over access drive or to good pruning points: max cut size 65mm. To allow for modular temporary building to be installed/allow contractor vehicles unobstructed passage to carry out reclad of Sydney block building.				
Assessment Date	17/01/2025				
Officer comments	6no. middle-aged to mature trees provide high public amenity within the school grounds and are dotted alongside the road where access is required for machinery and installation of the modular temporary building. Shown to the trees by a member of staff. The crown lift proposal is justified by the requirements of the planned building works and is unlikely to have a long-term detrimental effect on the trees' health and vitality.
