Hi Rachael.

I refer to the application for change of use of the moveable trailer to a takeaway for coffee and comment on Environmental Noise Impact.

Referencing the covering letter Wessex Planning 05/12/24, the trailer is situated adjacent to the car park, the proposed hours of operation are within those of the College and will not increase the background noise levels and have no impact on the Noise Sensitive Receptor being the residential houses outside the college site.

Therefore, I have no objections to the application.

Thanks.
