Thank you Rachael,

Please approve the following:

- Elevation A & C illuminated.
- Elevation B reduced (300cd/m2) illumination and only on between 8am – 9pm

On a side note, we will probably reduce all the illuminations on the canopy to 300 cd/m2 to match Elevation B

Thank you so much for your help with this.

I look forward to receiving the official approval.

Have a lovely weekend.

Kind regards,

Kerry Phillips
