For attention of Ms Morris

Dear Sirs

Re: A/25/98871 At Land west of Burnetts Lane, Eastleigh, SO30 2HH

Erection of 60m of hoarding, 2.no post & panel signs, 17.no flagpole signs, 6.no chevron signs and 2.no triangular roundabout signs to the 'Lower Acre' site and Allington Lane roundabout.

In regard to application A/25/98871, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective.

The proposed hoarding and, signage and flags all sit a minimum of 2.4m away from the carriageway edge and as such do not affect visibility splays or physical movement.

In terms of the signage proposed on the roundabouts, this is located in positions that will not affect forward visibility, or visibility to the right where a give way to oncoming vehicles would be required. As such, in this specific case, the proposed signage is also accepted.

Additionally, with no moving images or lighting to be provided, any distraction for passing road users would be minimal.

Yours faithfully,

Matt Grantham
