Dear Sir/Madam

**Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure)
(England) Order 2015**

Application No: H/24/98451
Description: Singles storey side and rear wrap around extension and demolition of existing utility room
Site: 21 SPARROW SQUARE, EASTLEIGH, SO50 9LB

I refer to your application and plan(s) numbered 01 stage A received on 6th February 2025, showing the following changes to the planning permission:

Description: Application for Non-material amendment comprising of changes to roof lantern to a flat window and extending the depth of the rear extension by 300mm from the previously approved scheme (H/24/98451) which sought the addition of a single storey wrap around extension and demolition of existing utility room.

I have examined your drawings and consider that the amendments can be treated as a non-material amendment to the above planning permission and as such they are hereby permitted.

The conditions specified on the original planning permission will continue to apply.

Yours faithfully
