

Highway Notes:

- 1. All Works are to be constructed in accordance with Hampshire County Council's version of the Highway Agency's Specification for Highway Works (SHW) (March 2008) as amended published by the Stationary Office.
- 2. All levels relate to the survey which is to Ordnance datum. Dimensions not to be taken from the drawing.
- 3. Street lighting, illuminated traffic signs, bollards and associated works shall comply with Hampshire County Council 'Specification for Street Lighting'.
- 4. Use of this drawing does not absolve the client from his responsibilities under the Health and Safety at Work Act 1974 and the Management Regulations 1992. The Principal Designer is required to contact Hydrotek Consultants prior to permitting this drawing to be used in connection with any construction works.
- 5. All drawings shall be prepared in accordance with the British Standard BS 1192.
- 6. All work shown have been designed in accordance with Building Regs Part A, Manual for Streets and Hampshire County Council's Highway Design Guidance.
- 7. All work shown are designed to minimize works required adjacent to existing works.
