Hi Gary

Hope you are well.

The following two applications were not sent directly to the Parish as Statutory Consultees, however, the tenants on Parish Land did receive these ie Scouts, Squash and Football.

This was discussed at Monday Planning Committee meeting and the following resolution was put forward, therefore, please can you register this on our behalf and also advise if there was a reason the Parish were not consulted directly.

Resolved to support both applications but that the Clerk request a copy of the threat and risk assessment from the Police as an adjacent land owner with minors on site.

You will see that the Parish wish to further understand the threat level, therefore, if you can assist with me getting access to this document or put me in touch with the relevant contact at the Police Training College, I would be most grateful.

Kind regards

Helen Robinson
