Good Afternoon Gary,

Please see below the reason for objection on both planning application,

- Operational change of use, site is inappropriate for use - low security site, not evidence shared to state that the security level has changed to warrant a 3m fence around the site. Need to share the evidence if there is a threat to the community.
- Change of use to the secondary entrance situated on Hound Road, an agreement to state that the exit to be used as an emergency only, Hound road has limited space to park, High volume and high speed traffic will also impact the area/ dog walking/ children etc.
- Green area used as an unofficial airfield

Kind Regards

**Christine Carr**

Thanks Christine,

Did the parish councillors give a reason for why they object?

Can you please let me know if you require any further information from me,
