To whom it may concern;

I am writing regarding the large silver
birch tree in my neighbours garden at
58, Victoria Rd.

The tree is extremely large &
lowers over my terraced house & garden;

I suffer from Asthma & hay fever & allergies
which restricts me going into my
garden.

My neighbours are also quite
concerned that the birch tree ~~is~~ has
rot at the base of the tree, and
would like it felled.

If you require more information
~~please~~ please do contact me. ~~etc~~

Yours sincerely
