Condition 45 – Roads and footway construction details

Thank you for the amended plans submitted on 5 April, please could you arrange for the Technical Note (dated 5.1.24 and produced by Abley Letchford Partnership) to be updated to refer to the latest version of the plans. In addition, drawing A170-LIN-B6-451 rev C3 "Parcel B6 – Engineering and Drainage Layout" has been submitted in relation to condition 45, and should be referred to in the Technical Note, unless it has been superseded, in which case please provide a copy of the latest drawing and refer to that in the Technical Note. Please ensure the revised Technical Note is given a new date to avoid confusion.

Response:

The technical note has been amended accordingly and is attached, along with the supporting plans noted in the letter.
