For attention of Mr Huckfield

Dear Sirs

**Re: A/25/98996 At HAM FARM HARVESTER, TWYFORD ROAD,
EASTLEIGH, SO50 4LFg**

Installation of replacement signage to include: refurbishment of existing internally illuminated post-mounted sign, 1no. externally illuminated post mounted corex sign, 1no. externally illuminated pictorial panel to existing gibbet, and addition of set of non-illuminated reverse applied letters to glazing

In regard to application A/25/98996, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective.

All signs are located in non-obstructive positions (movement and visibility), and the illumination levels for the signs that are to be illuminated are outlined as being up to 250cd/sqm which falls well within guidance levels.

Yours faithfully,

Matt Grantham
