For attention of Ms Aftanas

Dear Sirs

Re: H/25/98875 At 18 CHURCH ROAD, BISHOPSTOKE, EASTLEIGH, SO50 6BH

Extension of 2.2m dropped kerb to 5m and creation of driveway

In regard to application H/25/98875, having reviewed the information contained within the application pack, there would be no objection in principle to the proposals from a highway perspective.

However, it is noted that the increased width will in effect form a continuous drop kerb across the frontage of 3 dwellings, measuring well in excess from the guidance maximum single drop of 10.0m.

Given this, there may be a requirement to implement a raised kerb at either end of the drop to form a break accordingly.

This level of detail will however be discussed as part of the drop kerb licence application that the applicants will need to enter into with HCC as Local Highway Authority in order to undertake works on the highway, which will be subsequent to any permission that may be granted from EBC as Local Highway Authority.

Details of this process can be found via the following web address:
<https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours faithfully,

Matt Grantham
