**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. T/25/99211

In pursuance of their powers under the above Act and in accordance with your application received on Wednesday 9 April 2025 the Council, as Local Planning Authority hereby
Refuse Tree Consent For the following :

Description:	1no. Scots Pine (T1) - Reduce over-extending limbs to bring the tree into a more balanced & upright shape. This work is important to balance the weight distribution of the tree, as uneven weight can lead to stress on certain limbs, increasing risk of limb failure or structural instability. By improving overall structure & symmetry of tree, we aim to ensure its long-term health & stability, while also enhancing its aesthetic form.
Site:	17 WESTERN ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5DG

For the following reasons:

- 1 REFUSE: 1no. Scots Pine (T1) - Reduce over-extending limbs to bring the tree into a more balanced & upright shape.
- 2 Reason: The proposed selective pruning on 1no.Scots Pine (T1) is considered unjustified and will be of detriment to the health and appearance of the tree. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife and screening of the surrounding area.

Yours faithfully
