YOUR COMMENTS ON THE CASE

Building permission should NOT be granted. There are more than 1,500 new homes being build around this Public House and its' grounds. The pub utilises the grass areas for the enjoyment of customers wishing to sit outside in the fresh air, as well as allowing children to play on the grass areas. There is no need for an additional six properties on this very small piece of open land. The grass area is needed for rest and relaxation of patrons.
