YOUR COMMENTS ON THE CASE

This play/ socialising area has been in situ for a very long time and the local community make good use of it. In a time where we are trying to get our children away from electronic devices why are we also getting rid of our open/ safe spaces? I don't personally drink alcohol but going to the Pub is more than that. It gives people a chance to meet up to de stress and instead of then giving any children/ Grandchildren a phone/ iPad to keep them amused they can go and play. I and many others go to the pub as it is a central community place to meet relatives and friends. If you get rid of the play area then we will have to meet up somewhere else like The Alma. This will ultimately lead to the demise of the pub.
