FAO: Gary Osmond

Thank you for consulting HCC Countryside Service, the Highway Authority for Public Rights of Way (PROW), on this planning application. We raise no objection to the proposal, provided public access to the PROW (both the definitive line and the route walked by the public) remains unobstructed at all times, during and after the proposed works.

Should the applicant consider it necessary to temporarily prohibit public access to the footpath while the vehicle access is constructed, they must apply for the appropriate closure order from HCC and have it approved prior to any obstruction of the PROW taking place.
