For attention of Mr Huckfield

Dear Sirs

Re: A/25/99366 At 58 MARKET STREET, EASTLEIGH, SO50 5RU

Display of 1no. internally illuminated projecting hanging sign and 1no. externally illuminated fascia sign

In regard to application A/25/99366, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective.

The fascia sign is flat to the front of the building, and the projecting hanging sign is located at a height where it will not impact on pedestrian movements below.

Additionally, lamination levels are quoted as being 300 and 120 CD/SQM respectively which falls within acceptable levels given the site location.

Yours faithfully,

Matt Grantham
