Subject: DC/25/99470 Cockpit Farm Barn, Knowle Lane SO50 7DZ - Conditions 3

Good afternoon Rebecca,

Thank you for consulting the Pollution Team for the discharge of Condition 3 reference planning application F/23/94713 regarding the construction of 6 dwellings at Cockpit Farm Barn, Knowle Lane, Horton Heath, Eastleigh, SO50 7DZ.

Condition 3 requests a Construction Environmental Management plan.

I reviewed the Environmental Management Plan from Alderbury Homes dated May 2025 . I approve this CEMP and have no further comments.

Condition 3 reference planning application F/23/94713 can be discharged.

Thank you

Andre
