Subject: RE: RECONSULTATION Planning Application Consultation Request H/25/98931

Hi Gregg,

Further to the extension granted and the Planning Committee meeting on Monday evening, please can I ask you to register the following objection on the Planning Portal on behalf of Hamble Parish Council.

Hamble Parish Council do not consider that the amended plan improves this application and therefore, **objects**. This objection deals mainly with those changes as follows:- The change to the dormers from gable to flat forming a third storey together with the materials proposed will result in an unattractive design which is out of character with the street scene. The proposed new materials are incongruous with the surroundings. Additionally, there was question over the ceiling heights and it was considered that this is in effect squeezing what should be a two storey building into three stories.

Many thanks

Kind regards

Helen Robinson
