Subject: DC/25/99373 & DC/25/99034 Hatts Copse Farm, Botley - landscape comments

Hi Rebecca,

Further to my minor landscape comments made on the 29th May 2025 (see below), I have now reviewed the following revised landscape plans uploaded to Salesforce:

Landscape Masterplan Dwg. No. M467 0100 Rev P02

Landscape Plan 1 of 2 Dwg. No. M467 0201 Rev P02

Landscape Plan 2 of 2 Dwg. No. M467 0202 Rev P02

Matching plans have been submitted for both DC/25/99373 & DC/25/99034 .

I am content that the necessary amendments have been made, so these drawings are approved and the condition can be discharged.

Any queries do get in touch.
