For attention of Mr Chapman

Dear Sirs

Re: X/25/99432 At UNIT H, GEORGE CURL WAY, EASTLEIGH, SO18 2RX

Variation of Condition 1 (approved plans) of application F/24/97188 (Creation of headquarters for Hampshire Isle of Wight Air Ambulance (HIOWAA) and other healthcare services to include offices; the creation of a helipad; change of use and minor alterations to existing building to form a mixed use comprising B2, B8, E(e) and E(g); and other associated works.) approved on 30th July 2024. The proposed changes are to the fenestration to the rear elevation.

In regard to application X/25/99432, it is noted that additional Cycle Parking information has been submitted in regard to the Discharge of Condition 4.

It is confirmed that whilst not shown on plans, the existing cycle parking shelter is to be retained in position, with internal alterations to provide 6 Sheffield Stands, enabling the parking of 12 cycles.

This is acceptable, and so there would be no objection to the discharge of condition from a highway perspective, subject to the 6 x Sheffield Stands being in place prior to occupation of the building.

Yours faithfully,

Matt Grantham
