Cost Claim Statement

For the purposes of completing the Appeal form, the appellant has selected 'yes' to filing a cost claim.

However, as per Planning Policy Guidance on Appeal (Paragraph: 035 Reference ID: 16-035-20161210) a claim for costs can be made up until the close of an Inquiry.

As such, the Appellant has replayed 'yes' to reserve the right to make a cost claim should it be considered necessary as the appeal progresses.
