The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990

Application No. T/25/99493

In pursuance of their powers under the above Act and in accordance with your application received on Tuesday 3 June 2025 the Council, as Local Planning Authority hereby **Refuse Tree Consent For** the following :

Description:	1no. Birch (T1) - To be dismantled by section to ground level. Tree in decline leant over road.
Site:	8 PINE CRESCENT, CHANDLER'S FORD, EASTLEIGH, SO53 1LL

For the following reasons:

1 REFUSE: 1no. Birch (T1) - To be dismantled by section to ground level.

Reason: The proposed felling of 1 no. Birch (T1) is considered unjustified due to lack of supporting information which is required (in the form of an arboricultural report, e.g.). The tree is not considered imminently dangerous. Dead wood can be removed without planning permission. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife and screening of the surrounding area.

Yours faithfully
