YOUR COMMENTS ON THE CASE

Appeal Ref: APP/W1715/W/25/3366480

Land adjoining 4 Brookfield, Providence Hill, Bursledon

I am writing to confirm that I give permission for my son, John White, to submit comments on behalf of myself in relation to this appeal. However, I also want to add my own additional comment regarding the parking issue and highway safety concerns raised.

The layby outside numbers 1-4 Brookfield is always full and a large number of cars park on the verges on both sides of Providence Hill, from it's junction at Windmill Lane down to the Oakeley Vale junction (some recent example photographs are attached). If the existing parking for Brookfield residents is removed from the area adjacent to 4 Brookfield, this is going to further exacerbate the problem. The appellant refers to the fact that the Highways Officer offered no objection to the application. However, the Highways Officer did raise concerns but did not visit the site and relied on incorrect information provided by the applicant. The decision was taken by a Local Area Committee whose Councillors have lived in Bursledon for a vast number of years and who are aware of the existing problem with parking on Providence Hill and experience it day to day. Please can I kindly ask that you visit our properties to experience the problem for yourself before making a decision on this case.
