Dear Gregg

Please see below for comments from Hedge End Town Council Highways and Planning Committee.

We strongly object to the proposed development on the grounds that it is not in keeping with the character of the surrounding streetscene and would have a significant adverse visual impact on the area. The Committee is particularly concerned about the proposal's close proximity to a nursery, residential properties, and its potential implications for pedestrian safety. Furthermore, the site's location in relation to the nearby airport raises additional concerns. The Committee believes that more appropriate alternative sites should be considered and notes a lack of sufficient justification provided for the selection of this specific location.

Best regards
Sarah
