To Whom It May Concern,

I am writing to confirm that I have been informed of my neighbour's proposed extension plans at 13 The Copse and I am fully supportive of the work they intend to carry out.

Having reviewed the plans, I am happy with the nature and scale of the proposed extension and have no objections. In fact, I have considered undertaking a similar project on my own property in the next few years, so I am particularly interested in how their extension progresses.

Yours sincerely,

Sarah Anstee
