

F/24/97740 - THE LOG CABIN, HILLVIEW MANOR PARK, WINCHESTER ROAD, FAIR OAK

28/01/2025

Dear Clare,

Ultimately, our response will be very similar to that provided for the previous application F/23/95179.

The area immediately surrounding the proposed dwelling is vegetated but there is no significant trees.

Whilst the applicant has submitted the original tree survey from 2023, we do not consider it relevant in this instance.

We raise no arboricultural objection to the proposal.

Kind regards,

Chris
