For attention of Mr Chapman

Dear Sirs

**Re: F/25/99979 At High Wood Reservoir, Allington Lane, Southampton,
SO30 3HQ**

**Construction of a standalone container to house batteries associated
with storing the solar energy from the solar panels**

In regard to application F/25/99979, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

The location of the container is in a non-obstructive area of the site where neither vehicle movements or parking will be affected. In terms of delivery of the container, a vehicle tracking drawing demonstrates adequate space is afforded at the access junction, with gates set back an adequate distance.

Yours faithfully,

Matt Grantham
