For attention of Mrs Martin

Dear Sirs

**Re: A/25/100023 At THE BREWERY BAR, 10 WINCHESTER STREET,
BOTLEY, SOUTHAMPTON, SO30 2AA**

**Installation of 1no. externally illuminated projecting sign, 1no. wall
mounted lettering and 2no. non illuminated wall mounted signs**

In regard to application A/25/100023, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

The wall mounted signs (x3) are all flat to the building itself, with little projection, and as such wont obstruct passing pedestrian movements.

With the Projecting sign, it is noted that whilst this heads from the building towards the highway, it sits above a flat roof extension and as such, again, it will not affect passing pedestrian movements below.

In terms of illumination, the illuminated signs are proposed to utilise 250cd/m2, which falls within guidance limits.

Yours faithfully,

Matt Grantham
