For attention of Ms Hei-Tung-Hoh

Dear Sirs

**Re: H/25/99973 At 79 ASHDOWN ROAD, CHANDLER'S FORD,
EASTLEIGH, SO53 5QX**

Retrospective boundary wall

In regard to application H/25/99973, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

The wall and fence replaces an existing fence of similar height, and stops short of the Ashdown Road / Charnwood Crescent highway junction an adequate distance that visibility splays won't be affected.

Whilst the splay to the side of the rear parking area has been lost, there remains visibility from a central point, and vehicle speeds when egressing the driveway will be slow due to its length. As such the layout is acceptable in this specific case.

Yours faithfully,

Matt Grantham
