

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/99939				
Surveyor	IF				
Address	19 SOVEREIGN WAY, EASTLEIGH, SO50 4SA				
Proposed work	1no. Alder - Prune the overall canopy by about 1-2 meters (from the tips) to reduce size and prevent aggressive swaying in bad weather. The tree is blocking light and growing towards the house and is also encroaching onto the neighbours property. We would like to make the tree smaller and safer.				
Assessment Date	22/09/2025				
Officer comments	TPO 319-E T11 The tree has been viewed from within the garden. The tree appears in good to fair condition. It has been reduced in the past and is small sized as a result, it provides low public amenity as only the tip can be seen from above the roof. The works have been deemed as reasonable.				
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area
					Raise no objection
	X				
Decision notice	Consent: 1no. Alder - Prune the overall canopy by about 1-2 meters (from the tips).				
Conditions
