For attention of Mr Chapman

Dear Sirs

**Re: A/25/100123 At UNIT F1, MANATON WAY, HEDGE END,
SOUTHAMPTON, SO30 2XW**

Advert

In regard to application A/25/100123, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

It is understood that 5 signs are contained within the proposals, 2 of which are on the eastern elevation of the building; 2 on the northern elevation; and 1 on the southern elevation.

All are set flat to the building itself, with minimal protrusion outwards (maximum 0.11m), and where illuminated, the luminance levels fall well within the guidance figures for an urban location such as this.

As such, there will be no impact upon the highway if the advert signs are permitted.

Yours faithfully,

Matt Grantham
