

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100099					
Surveyor	IF					
Address	11 CARLYN DRIVE, CHANDLER'S FORD, EASTLEIGH, SO53 2DJ					
Proposed work	1no. Beech (T1) - Prune lower branches to give 3m of clearance between the canopy and the garage roof to stop the branches brushing on the roof and causing damage in the near future.					
Assessment Date	01/10/2025					
Officer comments	TPO 58-H (A45) T1 is a large beech situated in the corner of the front garden providing high public amenity in the close. Some branches are currently encroaching onto the garage roof, pruning away the lower canopy in contact with the structure is therefore justified. The proposed works won't affect the tree's public amenity nor are they likely to cause any long-term detrimental effect on the tree's health and vitality.
