Dear Sirs

**Re: F/25/100118 At DEER PARK SECONDARY SCHOOL, SIKI AVENUE,
HEDGE END, SOUTHAMPTON, SO30 2HT**

Installation of catering unit

Thank you for consulting the Highway Authority on the above planning application.

Regarding application F/25/100118, having reviewed the information submitted, there would be no objection in principle to the proposal from a highway perspective.

The catering unit is proposed to be used when the pitch facilities are already in use by the community. Thus, it would not be expected that additional vehicular trips would be created at other time periods from this proposal, and trips would already be existing for the pitch regardless of refreshments being available.

This unit is also proposed in a location that is a suitable distance from the car park and would not impact vehicular movement or safety of pedestrians.

Yours faithfully,

Jolie Baker
