

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100315					
Surveyor	IF					
Address	SEDGWICK COURT, SEDGWICK ROAD, BISHOPSTOKE					
Proposed work	1no. Oak (T1) - Reduce lateral limbs on East side of canopy by up to 1.5m back to suitable growth points to maintain clearance / overhang from dwelling roofs					
Assessment Date	11/11/2025					
Officer comments	TPO 100-E (T1) T1 is a very high amenity mature oak and can be seen from all public areas in the vicinity. Some upper canopy branches overhang the roof of the terraced property but not in direct contact currently. The proposed reduction will not affect the public amenity significantly as it is minor in terms of measurements and limited to the side facing the property only and away from the road. The proposed works are regarded as reasonable management of the tree to abate near future nuisance.
