**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. T/25/100114

In pursuance of their powers under the above Act and in accordance with your application received on Friday 26 September 2025 the Council, as Local Planning Authority hereby **Refuse Tree Consent For** the following :

Description:	3no. Ash (T1, T2 & T3) - Reduction of height by 2m. Reduce amount of large failing branches and reduce risk of damage to garage in close proximity of trees, promote health of trees and increase of light to adjoining neighbours garden.
Site:	25 WEAUVILLS ROAD, BISHOPSTOKE, EASTLEIGH, SO50 8HQ

For the following reasons:

- 1 REFUSE: 3no. Ash (T1, T2 & T3) - Reduction of height by 2m.
- 2 Reason: The proposed reduction of height by 2m on 3no. Ash (T1, T2 and T3) is considered unjustified and will be of detriment to the health and appearance of the trees. There is an adequate vertical clearance between the lower branches and the roof of the garage, there is no encroachment or any other actionable nuisance that would justify the works on the trees that appear healthy and provide high public amenity. Deadwood removal will help achieve the desired effect and it does not require planning permission. The proposed works would result in an adverse impact upon the visual amenity, ecology and wildlife and screening of the surrounding area. Please see more details in the Officer Report available online.

Yours faithfully
