

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100143					
Surveyor	AM					
Address	LAND TO THE WEST OF 1 PARK VIEW, HEDGE END, SO30 4EP					
Proposed work	2no. Oak (T122 & T123) - Crown reduction on the roadside aspect only, reducing branches by up to 3m while maintaining a natural crown form. Long branches extend over the highway. Selective reduction will decrease end-weight, reduce the risk of branch failure, encourage a more balanced canopy and support long-term tree health and amenity.					
Assessment Date	10 th November 2025					
Officer comments	Mature oaks, clearly visible to the public. Asymmetric crowns with crowns biased over the road. The proposed pruning of upto 3m to the roadside only will balance the crowns without adverse impact to amenity.					
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area	
					Raise no objection	TPO
	X					
Decision notice	Grant permission: 2no. Oak (T122 & T123) - Crown reduction on the roadside aspect only, reducing branches by up to 3m while maintaining a natural crown form.					
Conditions	BS3998
