EASTLEIGH BOROUGH COUNCIL

DC/25/100299 - Approval of conditions Land West of Allbrook Way, Knowle Hill, Eastleigh, SO50 4LZ

We believe that the links plan included in the application does not show the correct location of Footpath No 716 Allbrook at the southern end of the path. Our basis for that assertion is attached and is an extract from Hampshire County Council's Countryside Access Management system. It would appear to be closer to the proposed works at this location.

We raised at an earlier stage the need for Footpath 716 Allbrook to be surfaced in accordance with the County Council's Design Standards. New residents at this location will want to use it to get both north and south throughout the year and the surface needs improving to be suitable all the year around. So we hope some of the Section 106 monies will be allocated to dealing with this issue.

Regards
